

# Casualty Alerts

The next generation Lloyd's List Intelligence Seasearcher

# Setting up casualty alerts\*

Stay up-to-date on the maritime casualties that matter to you

The screenshot shows the 'Incidents' tab in the Lloyd's List Intelligence interface. The top navigation bar includes 'Vessels', 'Companies', 'Places', 'Incidents' (highlighted with a red circle 1), 'Sanctions', and 'Channel: Credit'. Below the navigation bar, there are filters for 'Incident Type' (set to 'Casualties'), 'Casualty Location' (set to 'Panama Canal'), 'Cause of Casualty' (set to 'All Causes'), and 'Casualty Date' (set to 'From'). A 'More Filters' button is visible on the right. A 'Create casualty alert' button is highlighted with a red circle 4. A search bar is present above the table. The table displays search results for 212 search results, with columns for 'Vessel Name', 'Casualty Date', 'Casualty Location', and 'Cause of Casualty'. A 'Locations' dropdown menu is open, showing a list of locations with checkboxes. A 'Beneficial Owner' table is also visible on the right side of the main content area.

# Setting up casualty alerts

Receive your casualty alerts in the format and frequency that fits with your workflow

The screenshot shows a 'Create a casualty alert' form with the following fields and options:

- 1 Alert Name:** A text input field.
- 2 Send alerts for:** Two checkboxes: 'New casualties' (checked) and 'Updates to existing casualties' (checked).
- 3 Alert search filters:** A search bar with 'Casualty Location: Panama Canal' and a close icon.
- 4 Send alerts to:** A text input field containing 'informa@lloydslistintelligence.com'.
- 5 Receive alerts on:** A row of day selection buttons: Monday (checked), Tuesday (checked), Wednesday (checked), Thursday (checked), Friday (checked), Saturday (unchecked), and Sunday (unchecked).
- 6 Repeat alerts:** A section with 'At: 09:00 GMT' and a '+ Add another' button. Below it, an 'Every' section with '15 minutes' and 'all day' options.

A 'Save alert' button is located at the bottom of the form.

You can personalise your casualty alerts to suit your needs.

- 1 You can give your alert a personal name that means something to you.
- 2 You can choose to be alerted on new casualties only, updates to existing casualties, or both.
- 3 The search filters you selected on the previous screen are displayed here. You can remove them, or close the page to return to the previous screen and amend them.
- 4 The 'Send alerts to' field will be auto filled from your Lloyd's List Intelligence user name. Casualty alerts can only be sent to one email address due to licence restrictions.
- 5 Select the days you want to receive your alert.
- 6 You can also tailor the frequency and recurrence of the alerts to suit your working hours.
